Nei sogni che facevo da bambino  
vivevo la mia vita come un re,  
avevo giorni pieni di sole,  
non c'era mai dolore.

Vincero, perdero  
la mia vita vivo,  
io da solo dovro camminare.  
Vincero, perdero  
la mia strada faro,  
giochero la partita della vita.

Ho avuto brevi attimi di gioia,  
momenti interminabili di noia,  
ho avuto giorni pieni di sole,  
io so cos'e il dolore...

Vincero, perdero  
la mia vita vivo,  
io da solo sapro continuare.  
Vincero, perdero  
la mia strada ora so,  
ma da solo giochero la partita della mia vita.

Un re, io certo non saro,  
eppure io vivo...

Vincero, perdero  
luci ed ombre io avro,  
ma da solo dovro continuare.  
Vincero, perdero  
la mia vita sara  
come un viaggio lontano da fare.

Vincero, perdero  
la mia vita vivo,  
io da solo dovro camminare.  
Vincero, perdero  
la mia strada ora so...  
Vincero, perdero  
la partita giochero...

Vincero, perdero  
ma da solo...

I Will Win, I Will Lose

In the dreams I dreamed as a child  
I lived my life as a king  
My days were filled with sunshine  
And there was never any pain

I will win, I will lose  
I will live my life  
I will have to make my way on my own  
I will win, I will lose  
I will create my own path  
I will play the game of life

I've had brief moments of joy  
Endless moments of boredom  
I've had days full of sunshine  
I know what pain is...

I will win, I will lose  
I will live my life  
I will know how to continue on my own  
I will win, I will lose  
Now I know my path  
But I'll play the game of life on my own

A king, I will certainly not be  
And yet, I'll live...

I will win, I will lose  
I will have light and shadow  
But alone I'll have to go on  
I will win, I will lose  
My life will be  
like a long journey to make

I will win, I will lose  
I will live my life  
I will have to make my way on my own  
I will win, I will lose  
Now I know my path...  
I will win, I will lose  
I will play the game...  
I will win, I will lose  
But alone...
