"Wonder Why"

Wonder why I'm not myself off late
I'm feeling strangely great, I wonder why
I suppose some genius could explain
Why I walk in the rain, just let him try

I guess there is a simple explanation
Unless I've come up with a new sensation
It could be that she's caught up with me
And all the mystery I'm speaking of
Is simply that I went and fell in love

I suppose some genius could explain
Why I walk in the rain, just let him try

I guess there is a simple explanation
Unless I've come up with a new sensation
It could be that she's caught up with me
And all the mystery I'm speaking of
Is simply that I went and fell in love
