Yeah
This is for the one
This is for the one
She knows who she is
Yeah
This one stays for the one
She knows who she is
Oh

[Verse 1:]

Listen here now CoaCoa eyes
Daddy's coming home soon (oh yeah)
I know you sit there and you cry
But Daddy's got work to do (oh)
I know you don't care much for him
'cause your crazy for us
I know you don't care much for him
'cause your reaching for us

[Chorus:]

I still adore you
Never ignore you
You are my angel
Sent from above
Girl, I adore you
Never ignored you
Your my angel
Sent from above
From above, from above
From above, from above

[Hook:]

People use to talk
Him no have no job
Look at him car
Now me say Ala Ala
Now we see dem wan' say hi
And me say , me say Goodbye
Now we no need no guided light

[Verse 2:]

Babygirl don't she'd a tear
When I'm not near you
No, no, no, no, no
Babygirl just listen here
I would do anything to keep you close to me
But Daddy's got a lot of work to do now
You know I'll never leave your side
I'll stand strong by you
You know I'll always make it right
'Til the next time I see you again

[Chorus:]

I still adore you
Never ignore you
You are my angel
Sent from above
Girl, I adore you
Never ignored you
Your my angel
Sent from up

[Hook:]

People use to talk
Him no have no job
Look at him car
Now me say Ala Ala
Now we see dem wan' say hi
And me say, me say Goodbye
Now we no need no guided light

[Bridge:]

This is 4 the 1
Oh, yeah
I'm not afraid, not afraid to tell you
That you are the one
This is for the one
Oh, yeah

[Chorus:]

Girl, I adore you
Never ignored you
You are my angel
Sent from above
Girl, I adore you
Never ignored you
Your an angel
Sent from above
Girl, I adore you
Never ignored you
You are my angel
Sent from above

Girl, I adore you
Never ignored you
This is 4 the 1
