Arrivederci Roma, goodbye, goodbye to Rome  
City of a million moonlit places  
City of a million warm embraces  
Where I found the one above the faces far from home

Arriverderci Roma, it's time for us to part  
Save the wedding bells for my returning  
Keep my lover's arms outstretched and yearning  
Please be sure, the flame of love keeps burning in her  
heart

Arriverderci Roma, it's time for us to part  
Save the wedding bells for my returning  
Keep my lover's arms outstretched and yearning  
Please be sure the flame of love keeps burning in her  
heart
