Oooooohhh yeah
Oooooohhh

Verse 1

I was, I was always quick to trip and turn and say I?m
sorry
Guess I, Guess I always thought that (X) made
everything okay
I did, Did my share of dirt
I know you probably heard about me
When you, When you asked I would just lie to your face
and I?

Chorus

I didn?t appreciate
Even when you walked away
I didn?t realize that you were the one thing I should
have kept ?part of me
And baby I just can?t deal without you, You?re all I need
I know I didn?t SAY much
But girl you?re the only one?
I?m trippin? without you
I think about it every time I

Huh Huh Huh Huh Huh Huh Huh
Every time I
Huh Huh Huh Huh Huh Huh Huh

Verse 2

Told you, Told you were insecure when you?d be askin?
questions
I had, Had you second guessin yourself and what you
mean to me
If I, If I could take it back I would, I would
If I could take it all back I would, I would
Instead of playing games It?s time I play for keeps

Chorus

And I, I didn?t appreciate
Even when you walked away
I didn?t realize that you were the one thing I should

have kept apart of me
And baby I just can't deal without you, You're all I need
I know I didn't save much
But girl you're the only one?
I'm trippin' without you
I think about it every time I

You were the one thing I should have kept apart of me
And baby I just can't deal without you, You're all I need
I know I didn't save much
But girl you're the only one?
I'm trippin' without you
I think about it every time I

Bridge

Think about how we used to do
Nights alone when I rockin with you
I can't help it, I kick myself in the ass
Cause I'm sittin here 'bout to blow it
I know I can't take no more
Time to change it up for sure
Cause I'm not tryin to let you go

Chorus

You were the one thing I should have kept apart of me
And baby I just can't deal without you, You're all I need
I know I didn't save much
But girl you're the only one?
I'm trippin' without you
I think about it every time I
You were the one thing I should have kept apart of me
And baby I just can't deal without you
You're all I need
I know I didn't save much
But girl you're the only one?
I'm trippin' without you
I think about it every time I
