Oh
Yeah, yeah, yeah, yeah
Doobey doobey doo
Yeah, yeah, yeah, yeah
Oh

[Verse 1:]

How come lovin' the one you love sometimes can make
ya mad?
Why's it feel like sometimes they ain't got your back?
Or could it be that we're just toxic but we'll work it out?
Oh baby we already know that there's no doubt

[Hook:]

That you gon' come around
And I'm gon' lay you down
That will work things out, baby
And girl you know

[Chorus:]

This is how we do it
Girl me and you we fight sometimes
This is how we do it
And me and you be in love sometimes
This is how we do it
We're breaking up
We're making up
Sometimes it's rough
But I ain't giving you up for no one (no)
I ain't trading you in for no one (no)
'cause that's just how we do it

[Verse 2:]

Sometimes you complain that I ain't never 'round
enough
And when we disagree all we do is fuss (all we do is
fuss)
But I don't care girl
It's me and you girl
Somehow we work it out
And you yell and scream

Yeah we fight
But we work it out

[Hook:]
That you gon' come around
And I'm gon' lay you down
That will work things out, baby
Oh girl

[Chorus:]
This is how we do it
Girl me and you we fight sometimes
This is how we do it
And me and you be in love sometimes
This is how we do it
We're breaking up
We're making up
Sometimes it's rough
But I ain't giving you up for no one (no)
I ain't trading you in for no one (no)
'cause that's just how we do it

[Bridge:]
Girl you know we could been stop if we wanted too
And you know, you know
But this is how we do it
And you know I'll spend the rest of my life
Fightin' and makin' up with you

[Chorus:]
This is how we do it
Girl me and you we fight sometimes
This is how we do it
And me and you be in love sometimes
This is how we do it
We're breaking up
We're making up
Sometimes it's rough
But I ain't giving you up for no one (no)
I ain't trading you in for no one (no)
'cause that's just how we do it

We go back and forth
Back and forth
Back and forth
You know, you know
We go back and forth
Back and forth
Back
This is how we do it
You know, you know

We go back and forth
Back and forth
Back and forth
You know, you know
We go back and forth
Back and forth
Back
This is how we do it
You know, you know
We go back and forth
Back and forth
Back and forth
You know, you know
We go back and forth
Back and forth
Back and forth
This is how we do it
You know, you know
We go back and forth
Back and forth
Back and forth
You know, you know
We go back and forth
Back and forth
Back and forth
You know, you know
We go back and forth

[fades out ...]
