[I.Aaronson-P.F.Webster]

When you are in love
It's the loveliest night of the year
Stars twinkle above
And you almost can touch them from here

Words fall into rhyme
Any time you are holding me near
When you are in love
It's the loveliest night of the year

Waltzing along in the blue
Like a breeze drifting over the sand
Thrilled by the wonder of you
And the wonderful touch of your hand and...

My heart starts to beat
Like a child when a birthday is near
So kiss me, my sweet...
It's the loveliest night of the year

[Instrumental Interlude]

Waltzing along in the blue
Like a breeze drifting over the sand
Thrilled by the wonder of you
And the wonderful touch of your hand and...

My heart starts to beat
Like a child when a birthday is near
So kiss me, my sweet...
It's the loveliest night of the year
