Lonely as a desert breeze  
I may wonder where I please  
Yet I keep on longing  
Just to rest a while

Where a sweetheart's tender eyes  
Take the place of sand and skies  
All the World forgotten  
In one Woman's smile

One alone, to be my own  
I alone, to know her caresses  
One to be, eternally  
The one my worshipping soul possesses

At her call, I'd give my all  
All my life and all my love enduring  
This would be a magic World to me  
If she were mine alone

One alone, to be my own  
I alone, to know her caresses  
One to be, eternally  
The one my worshipping soul possesses

At her call, I'd give my all  
All my life and all my love enduring  
This would be a magic World to me  
If she were mine alone
