It's been a while since I felt this way  
I can't describe it and words can't say  
I pulled myself out of the game  
Maybe tonight, I should learn how to play

See, I don't mind waitin' for a girl like you  
No, I don't mind waitin' for a girl like you

I caught your eye, clear crystal blue  
Been swimmin' inside, drownin', nothin' I can do  
Take all the time that you need to  
Give me your heart, I'll save mine for you

See, I don't mind waitin' for a girl like you  
No, I don't mind waitin' for a girl like you

Oh, I don't mean to be comin' on strong  
Second chances don't come often  
So I'm takin' my walk

Call me crazy baby, walk away  
Never think about me any other day  
That'd be okay

I don't mind waitin' on a girl like you  
No, I don't mind waitin' for a girl like you  
I don't mind waitin' on a girl like you  
No, I don't mind waitin' for a girl like you

It's been a while since I felt this way
