i can see her on that sliver sand
dancing to the local band
with the big red sun sinking down
shes the show attractin' the crowd

hey

well i fell hard and i fell fast
if it wasn't for me it would've last
but the fool in me broke her heart
she tore out of town leaving all these parts
to alabama

hey what i gotta do to
get heart back on the highway
comin' my way soon
hey what i gotta say
to talk her into my arms
back to texparkana
out of alabama

yeah nothing against the crimson tide
i just need that girl here by my side
and i know if i get my way
Alabama's gonna be crying that day

yeah yeah yeah
hey what i gotta do
to get heart back on the highway
comin' my way soon
hey what i gotta say
to talk her into my arms
back to texparkana
out of alabama

i just can't seem to let her go
i gotta get her off of that gulf coast
she should be with the one that loves her most

hey what i gotta do
to get her heart back on the highway
comin' my way soon

hey what do i gotta say
to talk her into my arms
back to texparkana
out of alabama
out of alabama

i dream of her behide the wheel
saying goodbye
leaving moblie
