It started with a memory
That wouldn't leave me alone
I was dried up and empty
Cause her love was all gone
Still I can't help but wonder
Why I jumped in head first
Cause I'm still going under
And dying of thirst

And I'm thrashing my arms
Kicking my feet
Trying to stay up
Struggling to breath
And I try to climb out
But the banks are too steep
And this river
It's only Twelve Ounces Deep

Gloing like still waters
So peaceful and calm
I thought once I forgot her
I could just go back home
Then the current got much swifter
And raged out of control
Now I shake and I shiver
Cause its so freezing cold

And I'm thrashing my arms
Kicking my feet
Trying to stay up
Struggling to breath
And I try to climb out
But the banks are too steep
And this river
It's only Twelve Ounces Deep
Yea

Oh I'm thrashing my arms
Kicking my feet
Trying to stay up
Struggling to breath
And I try to climb out

But the banks are too steep
And this river
It's only Twelve Ounces Deep

It started with a memory
