Yeah  
This is for the one  
This is for the one  
She knows who she is  
Yeah  
This one stays for the one  
She knows who she is  
Oh

[Verse 1:]

Listen here now CoaCoa eyes  
Daddy's coming home soon (oh yeah)  
I know you sit there and you cry  
But Daddy's got work to do (oh)  
I know you don't care much for him  
Cuz your crazy for us  
I know you don't care much for him  
Cuz your reaching for us

[Chorus:]

I still adore you  
Never ignore you  
You are my angel  
Sent from above  
Girl, I adore you  
Never ignored you  
Your my angel  
Sent from above  
From above, from above  
From above, from above

[Hook:]

People use to talk  
Him no have no job  
Look at him car  
Now me say Ala Ala  
Now we see dem wan' say hi  
And me say , me say Goodbye  
Now we no need no guided light

[Verse 2:]

Babygirl don't shed a tear  
When I'm not near you  
No, no, no, no, no  
Babygirl just listen here  
I would do anything to keep you close to me  
But Daddy's got a lot of work to do now  
You know I'll never leave your side  
I'll stand strong by you  
You know I'll always make it right  
'Til the next time I see you again

[Chorus:]

I still adore you  
Never ignore you  
You are my angel  
Sent from above  
Girl, I adore you  
Never ignored you  
Your my angel  
Sent from up

[Hook:]

People use to talk  
Him no have no job  
Look at him car  
Now me say Ala Ala  
Now we see dem wan' say hi  
And me say, me say Goodbye  
Now we no need no guided light

[Bridge:]

This is 4 the 1  
Oh, yeah  
I'm not afraid, not afraid to tell you  
That you are the one  
This is for the one  
Oh, yeah

[Chorus:]

Girl, I adore you  
Never ignored you  
You are my angel  
Sent from above  
Girl, I adore you  
Never ignored you  
Your an angel  
Sent from above  
Girl, I adore you  
Never ignored you  
You are my angel  
Sent from above

Girl, I adore you  
Never ignored you  
This is 4 the 1
