Baby I just don't get it,
Do you enjoy bein' hurt?
I know you smell the perfume, the makeup on his shirt,
You don't believe his stories you know that there all
lies,
Bad as you are you stick around,
And I just don't know why...

If i was your man,
Baby you,
Never worry bout,
What i do,
I'd becoming home, back to you every night doin' you
right,
Your the type of woman,
Deserves good things,
Wrist full of diamonds,
A hand full of rings,
Baby your a star,
I just wanna show you you are

Chorus

You should let me love you
Let me be the one to
Give you everything you want and need
Ooh baby good love and protection
Make me your selection
Show you the way that loves supposed to be
Baby you should let me love you
Love you love you
Love you ya ya

Listen,
Your true beauties description
Looks so good that it hurts
Your a dime plus 99 and it's a shame, u don't even
know what you're worth(hu)
Everywhere you go they stop and stare
'cause you badder than shows
From your head to your toes

Out a control
Baby you know

If i was your man,
Baby you,
Never worry bout, (uh)
What i do,
I'd becoming home, back to you every night doin' you
right,
Your the type of woman,
Deserves good things,
Wrist full of diamonds,
Hand full of rings,
Baby your a star,
I just wanna show you you are

(ooooh)with me and you it's whatever girl (hey)
(ooooh)so can we make this thing ours
