What do you do when you feel weak  
What do you say so you can speak  
Where do you go to face defeat  
What does it take to be complete

I don't know  
What's best for you and me  
And I'm sure  
It's the few that believe  
That you see  
What you need

All you gotta do is look up  
You gotta hold on  
No one can stop you  
You gotta go on

Why do we always go astray  
Seems we can never walk away  
We battle our conscience everyday  
It's hard to reach out  
To find our way

I don't know  
What's best for you and me  
And I'm sure  
It's the few that believe  
That you see  
What you need

All you gotta do is look up  
You gotta hold on  
No one can stop you  
You gotta go on
