#### Verse 1

In the middle of a thought, you crossed my mind  
I sit and wonder how you are, baby all the time  
I miss you when you're gone  
And when you come back  
I'm gonna show you that I love you cause  
I want you to know that

#### Hook

I don't need much (I don't need much babe)  
When I'm in your arms  
(Just to feel) Just to feel you're touch  
(Is enough) Is enough to keep me safe from harm  
Cause your loving arms

#### Chorus

You're loving arms is where I wanna be  
(When I'm holding you) When I'm holding you  
And you're holding me  
(Things will be fine) Things will be fine  
Just follow my lead  
(Cause your loving arms oh baby) Cause your loving  
arms is where I'll be

#### Verse 2

In the middle of the night, you invade my dreams  
All the happiness we shared, seem so real to me  
The moment I awake, I know for a fact  
That you would never leave me baby  
Cause you already know that

#### Hook

I don't need much (I don't need much baby)  
When I'm in your arms  
(Just to feel) Just to feel your touch  
(Is enough) Is enough to keep me safe from harm  
Cause your loving arms

#### Chorus

You're loving arms is where I wanna be  
(When I'm holding you) When I'm holding you

And you're holding me  
(Things will be fine) Things will be fine  
Just follow my lead  
(Cause your loving arms oh baby) Cause your loving  
arms is where I'll be

Hook then Chorus 2x
