[Talking](P.Diddy)

I just need to talk to you for a second,
It won't take me long,
I gotta get dis off me chest,
Hey yo Lil Flip, talk to dem

(Lil Flip)

Half the time I'm on the grind
Now you wanna play with my mind,
You wonder why we never spendin time,
Don't you kno I get paid to rhyme?
I took you out da hood and I laced you up,
Now you a cover girl I had to make you up,
You moved in my crib and I caked you up,
It's been a long time coming imma to wake you up.
When I ain't with you I'm clockin dough
Not poppin mo, with a flock of hoes,
Don't beat around the bush just let me know,
But deep down you don't wanna let me go.
You know the kid got chicks for days
I bust spliffs of haze and my whips on BLADES.
But i ain't tryna break your heart,
You jus gotta learn to play your part.

(P.Diddy)

Hey 'rio talk to dem.

(Mario Winans)

I'm really glad that you can take out time
Cause i got a lot on my mind
I never thought that you would be the kind
To do the dirt and hang your head,
Babygirl won't you make me understand
Why you would say the things u said to me?
You made me believe that we would be forever
But it was all a lie.

[Chorus]

If it never really was what you seen in me,
Why did you say that you believed in me.
It's all because of you my security,

It's driving me crazy baby.
If it never really was what you had for me,
Why did you say that you wanted me, needed me,
If it never really was what you meant for me
Tell me.

(Mario Winans)

Now i know I've asked you time and time again,
Were you sure you didn't want another man,
I would've understood it back then,
But you had to wait until i gave in,
Now I know I've been a sucker for your love,
Baby tell me what the hell was I thinking of,
I should have listened to them when they told me
But i learned the hard way.

[Chorus]

If it never really was what you seen in me,
Why did you say that you believed in me.
It's all because of you my security,
It's driving me crazy baby.
If it never really was what you had for me,
Why did you say that you wanted me, needed me,
If it never really was what you meant for me
Tell me.

[hook]—2

Why would U play with my heart,
When I gave it all,
It's tearing me apart girl.
All you had to do was say so,
I would've let you go,
Your makin it so hard girl.

Tell me why, why baby

[Chorus]

If it never really was what you seen in me,
Why did you say that you believed in me.
It's all because of you my security,
It's driving me crazy baby.
If it never really was what you had for me,
Why did you say that you wanted me, needed me,
If it never really was what you meant for me
Tell me.

[Chorus (girl's part)]

If it never really was what you seen in me,
Why did you say you believed in me,
(I just tried to give you what you needed)
It's all because of you my security,

It's driving me crazy baby,
(Would you just tell me why u lied to me)
If it never really was what you had for me,
Why did you say that you wanted me, needed me,
(What am i to do, I believed in you)
If it never really was what you meant for me
Tell me.
