You should of told me how you felt  
The day we met  
I probly would of loved you anyway  
Oohhhhhhhh yeaaaaaa  
But instead you led me on to believe that you  
Were ready for my love  
Ohhhhh babyyyyy  
Now it's gone aw-ay  
Tell me whyyy?  
Did you  
Say that you were ready for love  
When you knew that  
Hardly ever think of my heart again  
Tell me whyyy?  
Ohhh why didn't you baby  
Say that you were ready for my love  
And now your gone even though  
The rain drops take my love  
Tell me babeeeee  
Ohhh nooo  
You hurt me so badly
