Watching I keep waiting

Still anticipating love

Never hesitating

To become the fated ones, oh yeah

Turning and returning
To some secret place inside
As you turn around and say, my love
Watching in slow motion

Take my breath away

Take my breath away, oh woah yeah

Through the hourglass I saw you

In time you slipped away

When the mirror crashed I called you

And turned to hear you say

If only for today

I am unafraid

Take my breath away, oh oh yeah
You take my breath away, oh oh

(Take my breath away)

You take my breath

You take my breath

You take my breath away

(Take my breath away)

You take my breath away

You take my breath away

You take my breath away
