I've made a lot of mistakes in my lifetime  
Some worse than others  
But I never thought I'd make the mistake of leaving you  
Now I only have one wish  
Please, can I come back home?

I know I've been gone away for a while  
I didn't want to settle down back then, baby  
My life's priorities were not in line  
But I found that with you my life began, oh baby

Everyone of us has a purpose  
And I know I'm supposed to be with you  
I wanna come home to you, baby  
Don't worry there's nothing to lose

All I wanna know is can I come back home?  
Have I been gone to long  
I wanna try again to stay forever  
Can I come back home?  
Or have I been gone too long  
I wanna try again to stay forever

I wanna know could you ever forgive me  
For all the heartache and pain I have caused you, girl  
I thought I was missing something out there  
But what I was missing was in you

Everyone of us has a purpose  
And I know I'm supposed to be with you  
I wanna come home to you, baby  
Don't worry there's nothing to lose

All I wanna know is can I come back home?  
Have I been gone to long  
I wanna try again to stay forever  
Can I come back home?  
Or have I been gone too long  
I wanna try again to stay forever

Can I come back home?  
Have I been gone to long

I wanna try again to stay forever  
Can I come back home?  
Or have I been gone too long  
I wanna try again to stay forever

Everyone of us has a purpose  
And I know I'm supposed to be with you  
I wanna come home to you, baby  
Don't worry there's nothing to lose

Can I come back home?  
Have I been gone too long  
I wanna try again to stay forever  
Can I come back home?  
Or have I been gone too long  
I wanna try again to stay forever

Can I come back home?
