I know you used to care for me  
I can tell by the look in your eyes  
I thought you would be there for me  
until the day I die  
suddenly I looked around  
and you were nowhere to be found  
you never even said goodbye  
and now I'm searching for an answer girl

Hook (2 times)

I don't know why it hurts so bad  
I can't understand (baby) why you left me so sad  
Don't know the reason why I can't understand  
what I feel inside

Confused and brokenhearted  
that's what I feel when I think about you  
I thought we'd never be apart  
somebody tell me how can this be true?  
Now I'm all emotional  
And it's getting hard to control  
If this is love I don't need it  
cause it cuts deep baby

hook

everyday i look over my shoulder wishin' you were  
there  
you promised never to leave me  
you said you'd always care  
and now I found myself all alone  
know where to turn  
tell me what must i do

don't know (didn't deserve this baby)  
can't understand (don't know why you left me so sad)  
don't know (feel like I'm going crazy)  
can't understand (somebody tell me what I feel inside)  
don't know (why it hurts so bad)  
I can't understand (why you left me so sad)  
I don't know (the reason why I can't understand what I

feel inside)...
