.:+: VeRSE 1 :+:

Somebody said they saw you

The person you were kissing wasn't me

And I would never ask you

I just kept it to myself

.:+: ChoUrs :+:

I don't want to know

If you're playin' me

Keep it on the low

Cuz my heart cant take it anymore

And if you're creepin'

Please don't let it show

Ooh baby, I don't want to know

.:+: VeRSE 2 :+:

I think about it when I hold you

And lookin' in your eyes I can't believe

I don't need to know the truth

Baby, keep it to yourself

.:+: ChOUrs :+:

I don't want to know

If you're playin' me

Keep it on the low

Cuz my heart cant take it anymore

And if you're creepin'

Please don't let it show

Ooh baby, I don't want to know

.:+: HooK :+:

Thought you're better then me

Watched you fall asleep

Say you walk away
Don't talk to me
Ooh don't tell me
Better off that way
All that I can say
Stay away from me

.:+: P.Diddy :+:.
I don't even know where your
Whereabouts are
how you movin
I know when you in the house
When you cruisin'
This is provin'
My love you abusin'
I cant understand how a man
Got you choosin
Undecided
I came and provided
My undivided
You came and denied it
Don't even try it
I know when you lyin'
Don't even do that
I know why you cryin'
Im not applyin' no pressure
Just want to let you know
That I don't want to let you go
And I don't want to let you leave
Cant say I didn't let you breath
Gave you extra cheese
Put you in the SUV
You wanted ice
So I made you freeze
Made you hot
Like the western beats
Last time you invest in me
Cuz if not then its best you leave
holla

.:+: ChOuRs :+:.
I don't want to know
If you're playin' me
Keep it on the low
Cuz my heart cant take it anymore
And if you're playin' now
Please don't let it show
Ooh baby, I don't want to know
If you're creepin'
Keep it on the low
Cuz my heart cant take it anymore

And if you're creepin'
Please don't let it show
Ooh baby, I don't want to know
If you're playin' me
Keep it on the low
Cuz my heart cant take it anymore
And if you're creepin'
Please don't let it show
Ooh baby, I don't want to know
