[Speaking]

Sometimes in life
You come across a woman
Its just undeniable
And you searched for her so long
If finally hits you in your face
What did you do

[Verse 1]

Never knew too much about being in love
But IÂ'm letting you show me
Now I canÂ't do without feeling your touch,
Baby When you hold me

Every dayÂ's a holiday since you came my way, baby
ItÂ's more than I can say youÂ'll forever be my babe
(All I wanna is you, babe)

[Chorus]

All I wanna do is stay in love with you
What about you babe (What about baby)
IÂ've got you babe (IÂ've baby)
If they ask me all I wanna is you (all I want is you)
So can we make this true
What about you babe (Ohhhh)
I got you babe (Ohhhh)

All I wanna do

[Verse 2]

Sometimes it feels like it took
A million years for me to be happy
(Oh, Oh, Oh)
Its almost like a dream
But your standing right here
Looking right at me

(Every days a holiday)

Every day's a holiday since you came my way, baby
(Baby, it's a game I play)
It's more than I can say (More than I can say)
You'll forever be my babe (forever be my babe)
(All I wanna do, babe)

[Chorus]

All I wanna do (aw babe) is stay in love with you
What about you babe (What about baby)
I've got you babe (I've got you baby)
If they ask me all I wanna is you (all I want is you)
So can we make this true
What about you babe
I got you babe

All I wanna do

[Bridge]

I know that this could last forever
(We should last forever if you'll believe it, babe)
If you think we should be together (oh babe)
All I want is you baby!

[Chorus]

All I wanna do is stay in love with you
What about you babe
I've got you babe (I've got you baby)
If they ask me all I wanna is you (all I want is you)
So can we make this true
What about you babe
I got you babe

All I wanna do
