Mr. Cool

(Tamia)

Here we are right now, my baby.
Saw you standin' in the crowd, just waitin',
For me to call you out, and take this, to another level...
baby.
I feel it comin' on, I'm anxious,
He's really catchin' on, contagious.
Our eyes are having conversations,
And I'm startin' to lose my patience.

[Chorus]

(Tamia)

Mr. Cool... I'm open on, everything you do.
I wanna know, if it's cool
I'm sayin' I like the way you move.
I wanna know... Mr. Cool...

(Mario Winans)

Hey baby...
I've been tryin' to get through, my lady.
And you know that I want to go quit playin',
I'm trippin' home alone, it's takin'... I want to get to
know, you better,
There's so much we can do, together baby.
Girl don't make me wait, forever.
I'm feelin' like it's now or never... baby...

(Tamia & Mario Winans)

Mr. Cool... (My lady)
I'm open on, everything you do. (And I'm feelin you too)
I wanna know, if it's cool (My baby, ow yes it is)
I'm sayin' I like the way you move. (And I like you too...)
I wanna know... Mr. Cool...

(Tamia) (Tamia)

If you open up to me,
Baby then you will receive,
Everything you'll ever need,
Do you know what this could mean ?
You should listen to your heart,

Here and now is where it starts
Baby come and talk to me,
I wanna know...

[Chorus] (x2)
