Baby I don't wanna argue, (ah)

Whats the matter no-o-ow? (ooo ooo oooh)

You always tell me "Nothing", (ah)
How could i ever believe that when, (when)
you're wearing that frown?

Don't you see that your friends are, (oowaah)
jealous of me?
They be starting rumours that make, (oowaah)

They don't wanna see you happy no. (no)
Don't want us to grow. (grow)
Girl don't let em know,
everything we discuss.
i think it's time...

I think it's time for you to find some new friends.
Cause the ones that you have are always interfering.
