Yeah, You shine like diamonds,  
Oh, yeah, oh, your love is timeless, timeless babe ( oh  
babe)

This is by far the worst day in my life,  
I never should have let her out of my sight.  
Somebody gone with my love  
Some another nigga darn came up  
Never thought you'd be leaving me,  
Always thought you would be,  
By my side through joy and pain,  
But I was living in the fast lane.  
I hope he take cares of you,  
Shine with you like I used to.  
Before I grab them things,  
I gotta charge you to the game.

You shine like diamonds, your love is timeless,  
But I gotta charge you to the game.

I can't help it to wonder where you are,  
Hopefully your not going to far.  
Ill ride all night in the rain,  
..?  
Do you think you would leave me alone?  
Put that on all i own,  
I got to take the blame,  
'cause I was living in the fast line, babe.  
I hope he takes care of you,  
Shine with you like I used to.  
Before I grab them things,  
I gotta charge you to the game.

You shine like diamonds,  
Your love is timeless,  
But I gotta charge you to the game (x2)

Have you ever had something,  
And had it taken from you?  
If I could turn back the hands of time,  
I never getting close to you.  
Now I know I should have known better,

It's a hard lesson to learn.  
Sometimes we all get burned, ( oh yeah babe)  
But it's all a part of the game.

You shine like diamonds,  
Your love is timeless,  
But I gotta charge you to the game (x2)

Oh, oh oh, I gotta charge you the game baby.  
Oh, oh oh, I gotta charge you to the game  
I gotta charge you to the game, babe  
Gotta charge you to the game, babe  
Gotta charge you to the game, oh baby, oh
