if this is our last chance why don't you let me know
it this is our last then why don't you tell me so
after the music's gone and we can't dance no more
you can't ignore when the feeling's gone

oh here comes the pain
you can feel it in your body
it ain't the same, tears fall like rain
here comes the pain

why does it feel so bad for you to face the truth
why do i feel so sad when i say goodbye to you
thought what we had was real but baby now it's gone
what can you do when the feeling's gone

oh here comes the pain
you can feel it in your body
it ain't the same, tears fall like rain
here comes the pain

can somebody tell me what's true
cos i'm sick and tired of trying to get over you

you can feel it in your body (i can feel it in my body
baby)
it ain't the same (it ain't the same),
tears fall like rain (tears fall like rain)
here comes the pain

oh here comes the pain
you can feel it in your body
it ain't the same, tears fall like rain
here comes the pain
