Yo  
Yeah  
Yo yo yo, c'mon

Yeah, this is 'Rio, yeah 'Rio Winans  
Yeah  
You hurt me so bad  
Baby, yeah

I always trusted you  
It didn't mean that much to you, babe

I gave my love, my time and my life  
(Love, my time)  
In return you give me pain  
(Oh yeah)  
What a shame and this is the thanks I get, baby  
(Oh babe)

How could you do it to a nigga like this?  
Tell me, tell me  
(Oh yeah)  
And why would you give another nigga my kiss?  
(Oh baby)  
You hurt me, hurt me babe

I gave my love, my time, my life  
(My love, my time, oh baby)  
In return you give me pain  
(Oh baby)  
What a shame and this is the thanks I get, baby

This is 'Rio, 'Rio Winans  
You hurt me so bad  
Baby, now verse two

I believed in everything, babe  
Until the day you lied to me, girl

I gave my heart, my mind, my soul  
(My heart, my mind, oh baby)  
In return you give me pain

(Oh yeah)  
What a shame and this is the thanks I get, baby  
(Oh yeah)

How could you do a good nigga like this?  
Tell me, tell me  
(Oh yeah)  
And why would you give another nigga my kiss?  
(Oh baby)  
You hurt me, hurt me babe

I gave my love, my time, my life  
(My love, my time, oh baby)  
In return you give me pain  
(Oh baby)  
What a shame, and this is the thanks I get, baby

Ever since he met you had that good Oochie Wally  
Curves so killer, you put insurance on your body  
Remember that juke joint, your hair all knotty  
And I was coming through in that blue Maserati low

See this honey was potent like cook blow  
Crack, I mixed with black and Filipino  
Used to live in Reno but we met on the beach  
Same bars from the start, everything was peace

Then we got our shit together, you moved in the castle  
Let you shop wit the Capital One, no hassles  
One minute you're cool, next minute you're amped  
Talking loud trying to play me like a wet food stamp,  
cruel

Think of me in your life with the next dude  
Like chess, I'm contemplating my next move  
Then think of all the wankstas I hit  
Ain't this a bitch? Shit this is all the thanks I get? I'm  
gone

How could you do a good nigga like this?  
Tell me, tell me  
And why would you give another nigga my kiss?  
It hurt me, hurt me babe

I gave my love, my time, my life  
In return you give me pain  
What a shame, and this is the thanks I get baby
