Yeah, this song right here is about a young man  
Who's endured a lot of twists and turns in his life  
'Cause he always kept his head up, stayed focused  
This man's name is Mario Winans, listen

What makes you think I can't make it?  
Put me to the test, I'll take it  
I've been through more trials  
But I've overcome all of them  
And I've never been one for fakin'  
I kept on movin' an' shakin'  
An' that's how I made it

I've seen it all but I never let no one  
Tell me what's right, when it's wrong  
'Cause I heard it all before  
An' it gives me a reason to fight for  
A right for, to do what I gotta do, baby  
(What makes you think I can't make it?)

Put me to the test, I'll take it  
I've been through more trials  
But I've overcome all of them  
And I've never been one for fakin'  
I kept on movin' an' shakin'  
An' that's how I made it

All of my life I was told that  
You had to go through  
Just to get where you want  
An' if you come across a storm  
You just gotta keep holdin' on  
An' stay strong and do what you gotta do, baby  
(What makes you think I can't make it?)

Put me to the test, I'll take it  
I've been through more trials  
But I've overcome all of them  
And I've never been one for fakin'  
I kept on movin' an' shakin'  
An' that's how I made it

Hey, yo, I came from the bottom  
Worked my way up, ran wit big dudes  
Had to get my weight up, now my cake up  
Now it's lights, cameras, make up

Trips to jake up, foreign countries  
Reminisce on times when we all was hungry  
Now I made it, an' all y'all niggaz can hate it  
Seein' that I sound like Mase  
An' knownin' that I came from the basement  
Did my own thing, so face it

Now they comin' wit cases, now wit this hand I'm racist  
I'm so close, I could taste it  
Sometimes, I just wanna grab toast an' take it  
But I'm a keep movin' an' shakin', stay true to my faith  
An' I ain't worryin' about you, I'ma make it  
(What makes you think I can't make it?)

Put me to the test, I'll take it  
I've been through more trials  
But I've overcome all of them  
And I've never been one for fakin'  
I kept on movin' an' shakin'  
An' that's how I made it
