(I love you,  
But I don't think I can love you anymore)

[Hook:]  
When I kiss you so good  
Why would you wanna break up?  
When this loving is so good  
Why would you wanna break up?  
When I hit that so good  
Why would you wanna break up?  
When this feeling is so good  
Why would you wanna break up?

Loving you, loving you, loving you  
When I'm, when I'm  
Loving you, loving you  
Why would you wanna break up?  
(Do anything for you)  
Why would you wanna break up?  
(See I been driving through your hood)  
Why would you wanna break up?

[Verse - Gucci Mane:]  
Now baby girl had dumped me  
She no longer wants me  
I'm no longer hired  
She said that I've been fired  
On to the next one  
More fish in the sea  
Girls are like buses  
Miss one, Next fifteen; one comin'  
Gucci Mane crazy and his ice game stuntin'  
Swag so stupid still the bitch straight dumped me  
Over, no more smokin' doja  
Baby girl went AWOL  
She used to be my soulja

[Bridge - Mario:]  
(Don't) Don't I lace you with the Gucci?  
(Don't) Don't I deck you in the Louis?  
(Do-on't) Don't I make your air look free?

(Don't) When I dive, I dive deep?

I know I be (gone)  
I know I be (gone)  
I know I be (Flirtin wit the girls)  
I know I be (sayin' I'll be right back but take too long)  
I know I be (sayin' I'll be faithful but I don't)  
I know I be

Makin' you them promises  
Him breakin' your heart again  
Tellin' you she wasn't who she was n' we arguin'  
But, baaaby...  
I looove you...

Oooh!

[Hook - Mario:]  
Loving you, loving you, loving you  
When I'm, when I'm  
Loving you, loving you  
Why would you wanna break up?  
(Do anything for you)  
Why would you wanna break up?  
(See I been driving through your hood)  
Why would you wanna break up?

Loving you, loving you, loving you  
When I'm, when I'm  
Loving you, loving you  
Why would you wanna break up?  
(Do anything for you)  
Why would you wanna break up?  
(See I been driving through your hood)  
Why would you wanna break up?

[Verse - Mario:]  
You might be familiar but to me (your a model)  
Everything that I e-eva seen (in a model)  
If you leavin' baby don't leave me (till tomorrow)  
Tonight we gone get a lil typsy (with a bottle)  
You gone get me up  
Imma take em down  
Imma change my ways  
We can work it out  
Girl I wouldn't be the same if you was wit somebody  
else  
Girl it wouldn't be the same if I was wit somebody else  
I know I made mistakes before  
Promise you won't get hurt no more  
I got what you like and you know once you lay down it's

Loving you, loving you, loving you  
When I'm, when I'm  
Loving you, loving you  
Why would you wanna break up?  
(Do anything for you)  
Why would you wanna break up?  
(See I been driving through your hood)  
Why would you wanna break up?
