(I lay, Hahaha)
I lay on my bed with my hands on my head
I lay on my bed with my hands on my head
And it's all for love
And it's all for love

I can't hear it
Your love, your love
I can't hear it
Your love
Love, love ooh
(suicide)

I'm gonna sit here today like every other day
I am gonna sit here today like every other day
Day, day, day
And it's all for love
Oh, it's all for love
I can't hear it
Your love, your love
I can't hear it
Your love, your love, love

When you gonna call oh love
When you gonna call, love
When you gonna call
When you gonna call oh love
I can't hear you
I can't hear
I can't hear
Oh my love
Oh my love
Oh my love
Oh my love I, I, I call
