Well it was far too long to hide  
Before I met you  
And I really don't wanna die  
And forget you  
I'll forget you  
Is it safe to use those toys  
Are you allowed to make that noise  
Yeah  
Oh yeah I still wanna know you  
If you use those toys  
I still wanna know  
I still wanna know  
Yeah  
Oh yeah I still wanna know you  
If you use those toys  
But you won't wait  
Well I'm not gonna let you go  
In this state alone  
But do I really have much of a choice  
You make so much noise  
Is it safe to use those toys?  
Don't you realize  
Boys aren't supposed to use those toys

Yeah  
Oh yeah I still wanna know you  
If you use those toys  
I still wanna know  
I still wanna know  
Yeah  
Oh yeah I still wanna know you  
If you use those toys  
Because if I can  
And you can  
And he can  
And she can  
If you use those toys  
I still wanna know  
I still wanna know  
Yeah  
Yeah I still wanna know you  
Yeah

Yeah  
Yeah
