She said she didn't understand and so she guessed he
was deep
He swore he'd never been to college and was too tall to
be
So as she led him to the slaughter thinking she'd be
laughing last
Now the lady in the question is his better half
She's gotta be the stupidest girl i've ever seen
She don't care who, why, where i've been
She's got a right to be, with all that's wrong with me
But she doesn't wanna understand that she's a girl and
i'm a man
He thought that women and drink would make a man
out of him
But the extent of his studies left a jaded man
So as she led him to the altar he was easily led
And when they asked him if he did, well then this is
what he said
She's gotta be the stupidest girl i've ever seen
She don't care who, why, where i've been
She's got a right to be, with all that's wrong with me
But she doesn't wanna understand that she's a girl and
i'm a man
Well she's a girl and i'm a man
She's a girl and i'm a man
She's a girl and i'm a man
She's a girl and i'm a man
She's a girl and i'm a man
She's a girl
She's gotta be the stupidest girl i've ever seen
She don't care who, why, where i've been
She's got a right to be, with all that's wrong with me
But she doesn't wanna understand that she's a girl and
i'm her man
Every time she's near me
She gives me any reason to be alive
Try to get right
Yeah she looks right through me
She says you're not cool, you're just like me
You're a stupid man
Get over here, hold my stupid hand

She's all right, yeah...
You wouldn't understand, sister is a man fan
She's gotta be the stupidest girl i've ever seen
She don't care who, why, where i've been
She's got a right to be, with all that's wrong with me
But she doesn't wanna understand that she's a girl and
i'm a man
