You tripped me up  
You put mushrooms in my tea  
You rolled me, took advantage of me  
You tied me up  
I see blisters on my wrists  
Do i recall you doing the wild thing on me  
Do you know what  
I think that i liked it  
Do you know what  
I think i'd like to do it again  
You tripped me right up  
You put mushrooms in my tea  
You rolled me, took advantage of me  
You tied me up  
I see blisters on my wrists  
Do i recall you doing the wild thing on me  
Do you know what  
I think that i liked it  
Do you know what  
I think i'd like to do it again
