High on a hill
Heard a bird sing her song
Sang you were true
Well, she got it all wrong

She didn't know about your lies
And all your stupid alibis
Don't you know, this bird got wise
Surprise
Surprise
Surprise

[Chorus 1 :]
The writings on the wall
Yeah yeah
In letters written tall
Yeah yeah
I thought I'd let you know before I go
I will see you crawl

Fell off the hill
Into darkest of dreams
Promise broke
Ripped apart at the seams

So now you know this bird has flown
You will repay me what you owe
Don't you know you're gonna live
Alone
Alone
Alone

[Chorus 2 :]
The writings one the wall
Yeah yeah
In letters written tall
Yeah yeah
I thought I'd let you know before I go
You made a big mistake
Yeah yeah
Signed and sealed your fate
Yeah Yeah

I thought I let you know before I go
I will see you crawl

I'll wait till the night comes
In the darkness you are no one
I'll wait till the night comes
Until I know all you're shadows are gone

[Chorus 2]
