I know we got tangled
Ripped when I walked away
Every circle angled
Left us without a shape
Statues, fallen angels
Hollow about to break
Praying for forgiveness
And paying for my mistakes

I wish my heart was made of stone
It's a myth I'm only
Flesh and bone
Flesh and bone
So beautiful
Ooh you shattered me

Can't cross this river on my own
I'm lost without your
Flesh and bone
Flesh and bone
So beautiful
ooh you shattered me

You shattered me
Ooh you shattered me
Flesh and bone
Ooh you shattered me

Broken in one moment
A kiss full of misery
All the pieces frozen
Not where they used to be
Now my scars are showin
They're cut and their runnin deep
Praying for forgiveness
And losing my sanity

I wish my heart was made of stone
It's a myth I'm only
Flesh and bone
Flesh and bone

So beautiful
Ooh you shattered me

Can't cross this river on my own
I'm lost without your
Flesh and bone
Flesh and bone
So beautiful
Ooh you shattered me

You shattered me
Ooh you shattered me
Flesh and bone
Ooh you shattered me
Ooh you shattered me
Flesh and bone
Ooh you shattered me

In a million pieces I'm exactly where I said I'd never be
Stranded here alone you finally brought me to my
knees
I'm a fallen angel rescue me and save me from myself

I'm flesh and bone
I'm flesh and bone
I'm flesh and bone
Ooh you shattered me

I'm flesh and bone
I'm flesh and bone
I'm flesh and bone
Ooh you shattered me

I wish my heart was made of stone
It's a myth I'm only
Flesh and bone
Flesh and bone
So beautiful
Ooh you shattered me

Can't cross this river on my own
I'm lost without your
Flesh and bone
Flesh and bone
So beautiful
oh you shattered me

You shattered me
Ooh you shattered me
Shattered me
You shattered me

You shattered me
Flesh and bone
You shattered me

Oh Oh
Flesh and bone
You shattered me

Oh Oh
Flesh and bone
You shattered me
Ooh you shattered me
