You said Iâ€™m yours to keep
With your voice so deep
But you were just talking in your sleep

Iâ€™ll do just what you crave
My life for you Iâ€™ll waive
All I get is the spot next to your grave

And youâ€™re a fool to not see
Iâ€™m not hanging here
to keep you company

BUT What am I suppose to do
When all hope is gone?
How am I suppose to leave you
When youâ€™re the only one?
I made a deal with Mr.Hades
My soul he wants to buy
For you Iâ€™ll die

Oh this is the end
My only friend the end
Are words from our favorite band
I know weâ€™re not astray
And my love wonâ€™t decay
Are things that youâ€™ll never say

It is strange how time flies
Itâ€™s been year thatS gone by
And you donâ€™t know the color of my eyes

BUT What am I suppose to do
when all hope is gone?
How am I suppose to leave you
When youâ€™re the only one?
I made a deal with Mr.Hades
My soul he wants to buy
For you Iâ€™ll die
For you Iâ€™ll die

No oh, No oh oh, no oh

And you're a fool to not see
I'm not hanging here
to keep you company
It is strange how time flies
It's been year that's gone by
And you don't know the color of my eyes

BUT What am I supposed to do
when all hope is gone?
How am I suppose to leave you
When you're the only one?
I made a deal with Mr.Hades
My soul he wants to buy
For you I'll die
For you I'll die
For you I'll die
For you I'll die
