I'll protect you, don't be scared  
No matter what I will be there  
I'll be gentle, I'll be light  
These are the words you whispered in the night

Here I am  
Here I am

Now I'm standing in the cold  
Everything is said and done  
Atomic winter in my soul  
From the absence of the sun  
The only remedy I know  
Is I got to let you go

Here I am  
Here I am

But where were you when I was scared  
A broken promise left me here  
A post-it note is what I've got  
It says, I'm sorry but I know you're not

So here I am, yeah  
Here I am

Now I'm standing in the cold  
Everything is said and done  
Atomic winter in my soul  
From the absence of the sun  
The only remedy I know  
Is I gotta let you go

Here I am  
Here I am

There will come a day  
When all of this is in my past  
And there will come a day  
When you're out of my head at last  
I'm trying not to fall  
Damn, it's such a long way down

But here I am

Yeah, yeah, yeah

And now I'm standing in the cold  
Everything is said and done  
Atomic winter in my soul  
From the absence of the sun  
The only remedy I know  
Is I gotta let you go

Now I'm standing in the cold  
Everything is said and done  
From the absence of the sun  
The only remedy I know  
Is I gotta let you go

Here I am  
Here I am
