God, it was late, I was drunk  
You saw me  
The one by my side wasn't you  
I'm sorry

And I knew right then  
That I lost you there  
But you took me in

[Chorus :]  
In spite of me  
You made me feel invited  
Nobody else  
That is what I decided

Selfish and dumb, stupid and young  
Yeah, that's me  
But from all of the wrongs, you make it right  
And forgive me

It's been said before  
But I'll try once more  
You are the one

[Chorus]

God, it was late  
I was drunk  
You saw me  
The one by my side  
He wasn't you  
(You made me feel invited)  
I'm sorry

Nobody else  
That is what I decided

In spite of me, you're here  
You made me feel invited  
Nobody else  
That is what I decided

In spite of me, you're here

In spite of me
