I've got that sad and lonely feeling that lonely feeling
in my heart
You don't know how much I've missed you since the
last time that I kissed you
Why must we be so far apart
I've got that sad and lonely feeling that lonely feeling
all night long
All I do is dream about you cause I just can't live
without you
It's not the same since I've been gone

I keep on wondering and whispering your name
I keep on hoping that you think of me the same
I've got that sad and lonely feeling that lonely feeling
over you
But you said last time you saw me that you keep on
waitin' for me
So I guess you're feeling lonely too

I keep on wondering and whispering your name...
Well I hope you're feeling lonely too
Well I hope you're feeling lonely too
