We are, we are, we are W.I.T.C.H. We are, we are...W.I.T.C.H

There is a place where darkness reigns.
We've got the power to fight back.
We save the day. United five as one.
We can become more than you know,
The heart will lead the way to what we can control.
Water, Fire, Earth, and Air. Guardians Unite!

We are, we are, we are W.I.T.C.H We are, we are...W.I.T.C.H
We are, we are, we are W.I.T.C.H We are, we are...

We fight for life, we fight for truth, this is our revolution.
In day or night, we have the strength and courage.
With open eyes, we find the light,
Together we will have the power to control.
Water, Fire, Earth, and Air. Guardians Unite!

We are, we are, we are W.I.T.C.H We are, we are...W.I.T.C.H
We are, we are, we are W.I.T.C.H We are, we are...
Our world is more than we see.
There's danger that lies beneath.
We fight to protect the free.
(Water, Fire, Earth, and Air)

To protect the free...
(Water, Fire, Earth, and Air)
Guardians Unite!

We are, we are, we are W.I.T.C.H We are, we are...W.I.T.C.H
We are, we are, we are W.I.T.C.H We are, we are...

We are, we are, we are W.I.T.C.H We are, we are...W.I.T.C.H
We are, we are, we are W.I.T.C.H We are, we are...
W.I.T.C.H!
