Don't worry bout me it's all over now
Though I may be blue I'll manage somehow
Love can't be explained can't be controled
One day it's warm next day it's cold

Don't pity me cause I'm feeling blue
Don't be ashamed it might happen to you
Oh oh oh sweet love kiss me one time then go love
I understand don't worry bout me
[guitar]
Sweet sweet sweet love I want you to be
As happy as I when you love me
I'll never forget you your sweet memory
It's all over now don't worry bout me

When one heart tells one heart goodbye
One heart is free one heart will cry
Oh oh oh oh oh sweet baby sweet baby sweet
It's all right don't worry bout me
