(Noeman Whitfield - Barret Strong)

I bet you wonderin' how I knew  
'bout your planes to make me blue  
Whith some other guy you knew before  
Between two of us guys you know I love you more  
It took me by surprise  
I must say  
When I found you yesterday  
Don't you know that  
I heard it through the grapevine,  
not much longer would you be mine  
uhh uhh heard it through the grapevine  
Oh I'm just about to lose my mind  
Honey honey, oh baby  
ooh ooh honey honey  
I know a man ain't supposed to cry  
But these tears  
I can't hold inside

Losin' you  
Would end my life you see  
Cause you mean that much to me  
You could have told me yourself  
That you loved someone else  
Instead  
I heard it through the grapevine  
Not much longer would you be mine  
Ohh I heard it thought the grapevine  
And I'm just about to lose my mind  
Honey honey  
People say believe half of what you see  
Oh, and none of what your hear  
But I can't help but be confused  
If it's true please tell me dear  
Do you plan to let me go  
For the other guy you loved before?
