(Al Dubim - Jimmy McHugh)

Ai, ai, ai, ai  
o canto do prigoneiro  
Que com sua harmonia  
Traz alegria  
In South American Way

Ai, ai, ai, ai  
E o que faz em seu tabuleiro  
Vende pra ioi  
E vende pra iai  
In South American Way

E vende vatap  
E vende caruru  
E vende mungunz  
Vende umbu

No tabuleiro tem  
Oi tem de tudo tem  
E s no tem meu bem  
Berenguendem

Ai, ai, ai, ai  
Have you ever danced in the tropics?  
With that hazy lazy  
Like, kind of crazy  
Like South American Way

Ai, ai, ai, ai  
Have you ever kissed in the moon light  
In the grand and Glorious  
Gay Notorious  
South American Way
