fly on the wings of love
fly baby fly
reaching the stars above
touching the sky
baby it is mine
fly on the wings of love
reaching the stars above
touching the sky

in the summer nights
when the moon shines bright
feeling love forever
and the heat is on
when the daylights gone
still it happens together
this is one more thing i'd like to add
she is the greatest love i ever had

fly on the wings of love
fly baby fly
reaching the stars above
touching the sky
baby it is mine
fly on the wings of love
reaching the stars above
touching the sky
baby this is mine

and the times goes by
and theres more to try
and im feeling lucky
and the self to self
smiling hand in hand
love is all around me
this is one more thing i'd like to add
she is the greatest love i ever had

fly on the wings of love
fly baby fly
reaching the stars above
touching the sky
baby it is mine

fly on the wings of love
reaching the stars above
touching the sky

this is one thing i'd like to add
she is the greatest love i ever had

fly on the wings of love
fly baby fly
reaching the stars above
touching the sky
baby it is mine
fly on the wings of love
reaching the stars above
touching the sky 2(x)
