fly on the wings of love  
fly baby fly  
reaching the stars above  
touching the sky  
baby it is mine  
fly on the wings of love  
reaching the stars above  
touching the sky

in the summer nights  
and the moon shines bright  
feeling love forever  
and the heat is on  
when the daylights gone  
still it happens together  
she the greatest love i ever heard

fly on the wings of love  
fly baby fly  
reaching the stars above  
touching the sky  
baby it is mine  
fly on the wings of love  
reaching the stars above  
touching the sky  
baby this is mine

and the times goes by  
and theres more to try  
and im feeling lucky  
and the self to self  
smiling hand in hand  
love is all around me  
she the greatest love i ever had

fly on the wings of love  
fly baby fly  
reaching the stars above  
touching the sky  
baby it is mine  
fly on the wings of love  
reaching the stars above

touching the sky

she the greatest love i ever had

fly on the wings of love  
fly baby fly  
reaching the stars above  
touching the sky  
baby it is mine  
fly on the wings of love  
reaching the stars above  
touching the sky (x2)
