Give me an invitation more than a guess  
Give me a sign if only one single breath  
I'll give you an empty page  
This is the time and place

What kind of truth lives in the absence of trust?  
What is the use of holding back on this much?  
My eyes are open wide  
Won't you let me inside?

Come closer, love  
I can't hear what you're saying  
Don't make it easy love  
All the corners are fraying  
How can I please you, love  
When I don't know what you want?  
It's a nice escape, but will it keep you warm at night?  
I don't think so.

Uuh, how about you tell me what you're doubting us  
for?  
What is wrong with both feet on this side of the door?  
There is no easy way I'll be the one who stays

Come closer, love  
I can't hear what you're saying  
Don't make it easy love  
All the corners are fraying  
How can I please you, love  
When I don't know what you want?  
It's a nice escape, but will it keep you warm at night?  
It's a nice escape, but will it keep you warm at night?  
I don't think so.

You're so close to me  
You're so far away  
I don't know what you mean  
You're way out of reach  
You're so close to me  
You're so far away

Come closer, love  
I can't hear what you're saying  
Don't make it easy love  
All the corners are fraying  
Won't you come closer, love  
I can't hear what you're saying  
How can I please you, love  
When I don't know what you want?  
It's a nice escape, but will it keep you warm at night?  
It's a nice escape, but will it keep you warm at night?  
(I don't think so)
