Don't leave me this way.
I can't survive, I can't stay alive,
Without your love.
Don't leave me this way,
Cause I can't exist,
I've surely missed your tender kiss.
Don't leave me this way

Oh baby, my heart is full of love and it's all for you.
So come on down and do what you've got to do.
You started up this fight down in my soul,
Now can't you see it's burning, it's out of control.
So come down and satisfy the need of me.
Cause only your loving can set me free.

Don't leave me this way.
Don't you understand, I'm at your command.
Don't leave me this way.
Cause I can't survive, I can't stay alive,
Without your love.

Oh baby, my heart is full of love and it's all for you.
So come on down and do what you've got to do.
You started up this fight down in my soul,
Now can't you see it's burning, it's out of control.
So come down and satisfy the need of me.
Cause only your loving can set me free, set me free.

Oh, don't go now.
Don't go now.
Please, don't go.
Oh, don't go now.
Don't leave me this way.
Don't leave me this way.
Don't leave me this way.
Oh, don't leave me this way.

Cause I need your love.
I need you love. x5
Don't go.
Said my sweet love, don't go.

Oh, my sweet love, don't go.
My sweet love, don't go.

Oh baby, my heart is full of love and it's all for you.
So come on down and do what you've got to do.
You started up this fight down in my soul,
Now can't you see it's burning, it's out of control.
So come down and satisfy the need of me.
Cause only your loving can set me free, set me free,
set me free.
