I am so aware about my weaknesses  
I admit that I don't always tell the truth  
And I have done so many many stupid things  
There's so many parts of me could be improved

And I've seen her on TV  
The perfect girl that I could be  
There's so many things I'm gonna do and say  
But it can wait until tomorrow

Tomorrow I'm not scared  
Tomorrow I'll be someone else  
Another girl I swear  
Wait until tomorrow  
Tomorrow's without fear  
Tomorrow I'll be happier  
Tomorrow I'll be there

And I have had a lot of opportunities  
But somehow they all seem to slip my hand  
And I guess I didn't see all possibilities  
But I'm sure that I will get another chance

And I've said a million times  
That someday soon I'll speak my mind  
It will happen very soon but not today  
I guess I'll wait until tomorrow

Tomorrow I'm not scared  
Tomorrow I'll be someone else  
Another girl I swear  
Wait until tomorrow  
Tomorrow's without fear  
Tomorrow I'll be happier  
Tomorrow I'll be there

So many mountains left to climb  
So many treasures left to find  
I should wake me up but I believe in faith

So I guess I'll wait until tomorrow

Tomorrow I'll be someone else  
Another girl I swear  
Wait until tomorrow  
Tomorrow's without fear  
Tomorrow I'll be happier  
Tomorrow I'll be there

Tomorrow I'll be there  
Tomorrow I'll be there  
Tomorrow I'll be there
