For the pleasure of your company

Heaven is a shadow of your live

I'm a lonesome alcoholic for your kiss

Should I sit around

And wait

Well I had a chance

I hesitate

To ask you for the pleasure of your company

What would you say

Would you think about it

Would you think about it

Right now

I've been put upon

I've been passed round

For ever and I'm waiting for

The thirteenth of never

Should I swear to be true

Should you give a damn

What I say or do

Well, I'm asking for the pleasure of your company

What would you say

Would you think about it

Would you think about it

Right now

Love a chant

I've got everything you need

And I'm asking for the pleasure of your company

What DO you say

Baby

Oh

Cause it's been a long time

Baby

Think about it
