So it's time for departure  
You're leaving my life, I abandon  
Yours  
We said sooner or later  
Only this is so much sooner than  
I thought

This was supposed to be our summer  
I would have shown you  
All my favourite parts of this town  
I would have played to you  
All my favourite Sonic Youth-  
Songs  
And "all mixed up" with Red  
House Painters

And it would have been good  
I know it would of been so  
Good  
It would have been sweet  
It would have been good  
Memories to keep

And you would have taught me  
How to ride a skateboard  
I would have taught you  
How to strike a barchord  
And we would have gone  
Skinny-dipping

And I would have taken you  
For breakfast at the Grand  
We would have played  
Drunken soccer with all our best  
Friends  
We could have gone to San  
Francisco

And it would have been good  
I know it would have been so good  
It would have been fine  
But since we're two fucked up

People in denial  
There's nothing left to say now but goodbye
